“ Oh Uncle Jerry, I'm gonna miss you. Already do, it's been 2 weeks without any late night txt and I've done a few drawings I haven't got to show you. Thank you for always being so kind to me. I'm pretty sure you had times you would have loved to bust my butt. You were a great uncle, you understood a lot about me that others never will. Possibly my biggest fan of my art. I miss you already. Tell Momma I love her and that I'm trying my best. Well I guess you found a way to escape my cornbread lol. Think I got lots of my stubbornness from you and Mom lol. I never told you this but... Since Momma left, you have helped patch this hole that's in me. You two were a lot alike on so much but if ya wasn't alike on something then it was a giant sea of a difference. I know you have missed Grandpa so much and now y'all get all the time ya ever wanted and no ugly world to distract ya. I love you. I'm so sorry I didn't get back to your last call to me. Always checking on us seeing how all of us were doing and if we needed anything. I don't know how to say Goodbye so I'll say I will see ya later Uncle Jerry
