“ *To the family, I don't have the words to say how sorry I am for your loss. Jerry was a true friend to my Dad, my son, my grandson and myself. We have lots of great memories that I will cherish always. One memory I have about him is how much he loved his family, another is how he would help anyone that needed it. I remember one year he bought three bicycles and gave them to a lady he barely knew, that had three kids that didn't have much. Why?? Because that was Jerry. That's the person I will remember. Rest in Peace my FRIEND.*

Jerry and I go back nearly 40 years. We retired from the same company. Jerry was always a good friend. A couple of years ago we reconnected on Facebook. May Jerry's soul and all the souls of the faithful departed, through the mercy of God, rest in peace.
