“ *Jerry was my Aunt. My mom is Jackie Thompson, her sister. Aunt Jerry was a reminder of my granny everytime I seen her. They favored so much. I can remember everyone at the lake and granny, mom, and jerry cooking breakfast, making coffee, gossiping about us kids thinkn nobody was awake. I would just lay there until one of my older sisters or one of Jerrys kids got up to see if they were going to get told to go back to bed. If nobody got in trouble, then I got up. Idk some weird thoughts I used to have when I was a kid. I could hear Aunt Jerry and my mom laughing at granny. Aunt Jerry helping me with my first born at that same lake house. She was good with my son. She was always married to Uncle Mike. Although not as close to her as others my memories are wonderful ones of her and her laugh. And I loved her. So sorry for your loss Mike, Barry, Gary and I dont know the other children spoke of in this obit but Im sorry for your loss as well. Aunt Jerry, tell Granny I miss and love her all the time! And if you see Todd, Lesa, and Taylor tell them the same thing from me. Love you all!! Your niece, Kristie*

PS

“ Jerry was my Aunt, I moved back to the farm to be with them after my Mother passed away. I have had the honor to see and spend time with time with her everyday for the past 6 years. I will miss her for the rest of my life. I have tried to honor and do everything she asked of me regarding her passing. I will miss her everyday that God allows me and will see her again when my time here is over. Always in my heart, Polly
