“ *Momma I love u & there is not a day that goes by that I will not miss your smile, you meant the whole world to me. Everyday is hard because, I go home & I don't see you there or that I hear you say "How was your day, I love you, or goodnight." But I know you are with me everyday doing & telling me those things. We still have a loving & strong bond, I miss you everyday & wish you were here. Everyone loves you, Including me, Ethan & Autumn.*
