“ To Miss Sue and the family:

*Jim was my first shift sergeant when I became an officer. He invested so much knowledge and even more patience in me. I would not be where I am without Jim. He was kind, funny, and one of the best storytellers I've ever heard. He was a great cop (and a pretty decent firefighter, not that he wanted to be). I'll be praying for comfort for all of you. He was so proud of his family.*
