“ *Dad became my father-in-last in 1999. He has always been "Dad" and treated me as his daughter. I love the memories of the time spent with him. He had a loving heart and was very special to me. My favorite thing to think about is he and mom holding hands in the living room and him telling her he loves her. It always touched my heart. I know he is still telling her, even now.*

“ Jimmy always has a Smile and an opinion, both of which I enjoyed. He helped make NPS Transportation an interesting place to work, with never a dull moment. Thanks Jimmy and Family for all the smiles and memories.
