“ I'LL never forget my big brother growing up he was always there when I needed him.I'LL always remember the time he let me shave him with a straight razor,of course he had to have a few drinks before he'd let me,and guess what didn't cut him once.After our parents passed away we always called each other on mother's and father's day.He will truly be missed.Love your bratty little sister ,Nancy Laxson Smith.
