“ We have known JoAnn nearly all our lives. She was one of the kindest, most caring, religious ladies I have ever known. She had a heart full of love for her children, grandchildren, friends and neighbors and for those she had never even met. I know the family is lost and are grieving so heavily, but knowing she is where she is, makes her leaving a little more bearable for each of you. You all are in our hearts and in our prayers. May God step in and take control of your hurt and your sorrow. Love to you all, Lynda and Bill Molton

“ *May the peace of God that passes all understanding settle upon your hearts this day. Though we may leave our love ones behind, it is only for a season, then we go to be with the ones that have left us. God said he will go to prepare a place for us, and I know that my friend JoAnn is in that place now, may comfort and peace go with you this day, and the days to come. Herb Woods*

“ I have known JoAnn for a long part of my life. We first meet years ago after my little sister opened a business a half a block from Dari-Delite . She was the sweetest most kind person I would ever wish to know.. I often ran into her around town at Walmart or a Football game and it was always wonder even if we only talked for a few minutes I always knew that meeting up with her was the best part of my day .

We will miss her beautiful smile and loving personality as a part of our everyday life .

“ Sweet Joanne, I have nothing but good memories with you.. working with you and being around you we shared all kinds of memories. I do know when at Wpool I have shared problems with co-workers and you always told me to just pray for them. One in particular you told me to pray for this mean gal and I told you I didn't think pray would help her, you just smiled and said, yes, it will, just pray for her. That's just how you were. You saw good in every situation! I will miss you and always love you!
