“ *She was loved by all who knew her. I never saw Joanne without that contagious smile. She always filled me in on Joni and was so happy to hear about my latest adventures.*

I will miss those talks. I will miss her sweet smile and enthusiasm for life.

To say she will be missed is an understatement. She was a shining star to her closest friends and they will carry on now without her, but they are far better for knowing her, we all are. Thanks Jo for always loving my mom, she couldn't have had a better friend.

Prayers for comfort and peace

“ I never saw JoAnn when she didn't have a sweet smile on her face and she seemed always to be genuinely happy to see me. She was a joy to work with at Bank of Mulberry/Allied Bank and made the work day more fun. I'm so happy I decided to stop at the Bank a few months ago on the way to Fayetteville and got to see that smiling face again. She will be greatly missed. Lots of love to everyone that knew JoAnn.

JoAnn had the unique ability to cause anyone in her presence to feel as though they were the most important person ever. It was such a privilege to work with her. She always applied herself fully to any task assigned her and did it well.

What a smile and contagious laughter; she will be sorely missed by all who knew and loved her.
