“ A stand up man who will be missed by all who ever got lucky enough to meet him. He loved his family as much as the desert loves rain & was always proud to call them his no matter what.....Carol Howe Ruston you are one of the strongest & sincere women I've ever known & I do believe that's what made John ask you to be his wife.....taking him on with those 3 girls like they were your very own & then blessing him with 3 sons to boot.....it's very admirable the love between you 2 & an example for us all on how a family is supposed to stick together no matter what. My heart goes out to any who are affected by such a sorrowful loss.....though it is a sad time for us all left here on earth it's also comforting he is no longer in pain or suffering. With all my love to the Ruston family <3

“ *I believe this might be the only pics I ever took of Carol and John. This pic was taken at Christmas 2023 I believe. Glad that it was captured and his smile could be shared with his family.*
