“ *Carol my thoughts and prayers are with you and your family. I loved Johnny like he was family and he treated me the same in return. I always enjoyed his raw humor and always helpful advice. I will continue to miss him dearly and I know he's watching over everyone now!*

“ *My prayers for the Hopkins family. I love all the memories I have of Johnny and your family. I spent many fun times at your house growing up on the Wire Road. I wasn't around Johnny during his adult life, but during junior and senior years at school and summers playing at the Hopkins house he was always fun and put up with Pat and I teasing him and Keith any chance we got. He was one of the leaders of our class and basketball team and will always be loved and remembered by his classmates, friends, and fellow Hartman Hawks. Rest In Peace my old friend and classmate. Prayers to your family.*
