“ *Memories with Joe two summers picking Peaches. His father Babe was my fathers were kid friends in Coal Hill. The first summer was could I drive the tractor and watch Joe load the flatbed with baskets of peaches. We hauled hay loaded hay into old barns and houses. His mother took Joe and I to Little Rock to pickup his Red and White Corvette after it was repaired.. That was his first year he played football for Arkansas Tec. He worked out under the car port. I was 14 years old my Grandparents lived out west of Coal Hill on Rout 1. Arch & Crystal Shepherd. Me from California he treated me like buddies! I had the best time with Joe . My Grandparents told me all about Joe's football teams and him playing pro. I just wish I had stayed in touch. I was saddened to hear of his passing .As a kid from California I told story's of my summers in Coal Hill,Arkansas,. LOST FOR WORDSRandy Shepherd*

“ *I played football with Joe back in the 1960's at Arkansas Tech. He was very strong because of his weight lifting skills. I'll always remember his sense of humor and great smile. He was a great friend. Prayers to the family. Phillip Rickman*

“ Joe was funny. We once drove to Pismo Beach and Solvang here in CA. Iva Carol, Rodger, Joe and myself. We drove on the beach, Carol went in the water with her clothes on, Joe tried to drink the water and said "it really is salty" We went to Solvang a dutch town in S. CAL. We ate our way from one end to another, there was sausage, ice cream and fudge that I remember, we also ate Tamales out of a truck near Moss landing and a taco bell before going home. Didn't need to eat for a month after that. JoJo was a baby at the time, we left him and our daughter Robyn with Grandma Iva, I think they had fun too. We missed Joe, for some reason we were not allowed to speak with him since Iva past away. We are still hoping that a headstone will put up for her and Joe. Joe could always be found at Iva's house, checking on her.....

“ Joe was one of my two first cousins and we grew up living across Highway 64 from each other. I have so many great memories of us playing together as kids. As we grew up we got busy with life and didn't spend a lot of time together but the love between us was always there. I will miss him and will have great memories of him. God bless and comfort Carol , Montana, and Joe Joe ! Rest in peace my dear cousin, you will be missed!!!!
