“ *We send our love and condolences to Judy's whole family for your tremendous loss. She was one of the most caring and thoughtful people I've even known. Never did she see Bob or me and not relate a story of childhood. She always made everyone a special friend and brought joy to us all. Heaven gained an angel.*

“ John and family my heart go out for you in the loss of your beautiful wife, mother, grandmother and great grandmother. Judy was one of the sweetest most kind persons that I had the privilege to know. I used to visit the farm when my aunt Juanita and Everett (Sis) Lawless worked for your dad John. I have many fond memories of the farm and your family. John, my prayer is for your healing of a broken heart in the absence of your loving wife and best friend of forty nine years. May you and your family find comfort and solace in knowing that she is now in the presence of our Lord. One day you too will join her and other family members who have gone on before us. My prayer is that you remain strong and faithful in the Lord until He calls you home. Love in Christ. Ron & Linda Rowe, Iowa Park, Texas

“ Judy Jane was one of my favorite people! I wasn't born into this family, but she sure treated me as such. I'll never forget the laughs we had over my pineapple upside down cheesecake fail this past Thanksgiving. She was already texting me recently giving me a hard time about my dessert contribution to this next Thanksgiving lunch. I love loved to be around this lady and this loss is going to forever leave a mark. My heart just breaks for everyone who ever had the pleasure of her company for she will certainly never be forgotten and always remembered with a smile. RIP Judy Jane.
