What a loss,! Tinker was such a beautiful person inside and out. So sorry that I missed her passing. I remember some fun times being around her and Marshall. My heart is so sad. To many of my friends are gone now.

“ What a sweet beautiful person Tinker was.... As a child she was the neighborhood Mom that we all went to for anything. She taught me to swim, took me on several adventures, kept my hair trimmed, and was always available to mend my boo boos. I loved her so much and she will always have a special place in my heart.

“ Being an adopted (unofficial) member of the Chrisman family, I always felt very close to them all, including Tinker. Lots of memories throughout the years that always bring a smile to my face. She was a lady in every sense of the word and will be greatly missed. Rest in Peace miss Tinker.
