“Katrina was my every day guaranteed smile maker. From her sweet giggle to just random silly messages to let me know she was there, bragging on the kids and grand babys, sharing her creative ideas, deep thoughts and goals to make things better. She loved unconditionally and hard and was bound to make things right in the world for herself and for those she loved so dear. You will always be a big part of my heart sweet girl. Be still in the peace you deserve and the fly high as guardian angel I know you are. 💙🕊️🙏”
