*Seven years have come and gone...at times the pain seems unbearable, yet I know in my heart she is singing Jesus loves me, with a great heart choir.*

*Its said that time can heal all things...Im not so sure of that, but I do believe God comforts us daily.*

*Today we will go to the cemetery....knowing shes not there, yet it brings back precious memories.*

“ *My thoughts and prayers are with Kaylee's family as you reflect on the joy she brought to everyone she came into contact with. She will always hold a special place in my heart and my families as she made such an impression on us in my preschool class. We were always showered with hugs and "i love yous" when Kaylee was in the room. She must be dancing and singing praises to God in her new body as she is in his presence! Cherish her memories as I do because I feel we all entertained an angel in our lifetime through her! Love, Ms. LaWanda Mounts*
