My sweet, sweet Hotrod, I love you with all my being. You lit up my life. You made me very proud to be your momma! Your life was cut so short, you never got to fulfill your dreams here on this earth but you don't have to dream anymore, you are in a most beautiful place where there is nothing but love, no sorrow, no more tears. I miss you sooo much and I can't help but cry, but I will make it and will be strong just for you! Until we meet again. I'll see you later...❤️❤️

Today was a very tough day for me, as I just learned of Kelly's passing. Over a year later! I worked with him many times over the years and I have to say that he was always a pleasure. Always a gentleman and kind with a great smile and helping hand. You did a wonderful job raising such a nice young man. He will not be forgotten.
