“ I am sorry to hear about Kenneth. We grew up not far from each other when we were young. We spent time walking the woods and fields along with my brother, Don Gresham and his brother Jimmy. It was our entertainment for kids who lived in the country. Played many games of softball in their yard, climbed tree's, carried buckets of water from their spring for his mama. Those were good times most kids now will not experience. God bless you all as you go through these hard times.
