“ *Kevin,*

*Your delightful "crankiness" will be missed. Yes that is what I called you, Mr. Delightfully Cranky and you laughed every time. I am glad I got the chance to get to know you. I enjoyed our little rounds of daggers that we took turn throwing, (all in good fun) and you are the one that talked funny, I have a perfect southern dialect. Rest in peace my friend.*

*Mary,*

*I am so sorry for you loss, I can't even imagine what you are going through at this time. I'm sorry/sad I missed the memorial, I would have been there to pay my respects. You know where I am if there is anything I help with or do for you. Thinking of you, praying for you.*

*Amy*
