“ *I will always remember summer days spent with Larry at Clear Lake when our family vacationed at one of Uncle Nels' cabins. Larry was closer to my age (now 73) than his first cousins like my dad (Bob Lekwa). I remember wishing that I had ready access to a boat and fishing at the lake like Larry. I'm a retired conservation director, and always feel a little pride when I go by Lekwa Marsh, the old Lekwa farm on the south side of Clear Lake.*
