“ *During tornado season, Mr. Marvel always joked, "don't worry kids, if a tornado comes, just hold on to something heavy like Mrs -----.* Of course, the person he mentioned was not heavy at all and would try to find ways to get him back.  
*He was there for me, taught me how to lay the first concrete block, building the corners, when we built my cabin.*  
*He was at my wedding reception, which meant so much to me and my family.*  
*Always loved him, And despite the miles, was always in my heart and mind.*  
*Rest In Peace Mr Marvel.*  
*Prayers for Mrs Glenda and family.*
