“ The first time I met her I could feel the presents of God. She was so sweet and the love of God was ever present.

“ I am heartbroken to hear of Lauren's passing. She was one of the sweetest girls I had the privilege of teaching and knowing. She definitely was a take charge kind of gal and worked very hard getting things organized for our class when we did anything. We always talked in Wal-Mart and she would keep me up to date on her life. Sadly I still look for her when I go in that store. Please know that if we were not out of town I would be there tomorrow but will say a special prayer for all of you.

“ Lauren was a special little lady and so dear to my heart! She was born on my birthday. We always laughed together about that. My thoughts & prayers are with her family who are suffering from this great loss. But I rejoice today over this little one's great victory over death! Lauren is living today in the presence of Jesus! Hallelujah!
