Such a sweet beautiful girl with a wonderful soul. I will always remember her smile. The good ones always leave us too early. I am so sorry for the loss of this child. Heaven has another angel.

Beautiful video!! Such a sad and upsetting loss. I only knew her for short time so I didn't get a chance to really know her but from what little I did get to know she seemed like a huge sweetheart. My heart goes out to ur family Lea , and all those that were close to u. I know ur passing is felt in all of our hearts. My u rest peacefully in the Lords hands.

“ Dearest Family & Love Ones of your precious angel Lea. Words can not say enough the remarkable life of this young woman, daughter, sister, niece, granddaughter, aunt, friend, wife and most of all mom to the two remarkable children she has. We are with you in our hearts, we are praying for peace, comfort and guidance in your grief. So young and full of beautiful life. So loving to all whom knew her and had the honor of her love that she so freely gave in everyone and everything she touched most of all her children. May Lea Rest in Peace, may she be in the arms of all angels and may heaven sing praises of how beautiful heaven is now with her, and may the family and her friends know our condolences in this time of grief. R.I.P. sweet angel and do not worry everyone will love your children well with you as our guide to love unconditionally and well To her family and siblings and parents may you know we are there if you need anything at all we are all there for you always God Bless You all.
