Our Momma was a strong woman with a giant heart. She was considered Mom to many. Her home was always open to any. She was right there to help anyone. With her love also came a good scolding when you done wrong. Her favorite past-time was fishing. She enjoyed singing and cooking. But even more feeding everyone. She was a giver and gave with her whole heart. She was proud of her family. She especially enjoyed her grandkids and her time with Daddy. We deeply miss her. We each will carry part of her with us until we meet again.
