“ I can't believe I'm sitting here writing a memorial to my sweet cousin Linda Sue. Cousins are often the first real friends that we have as children and you have that special bond of understanding your crazy family. I have such fun memories of playing together almost every Sunday at mawmaw and pawpaw Burcham's house when we were kids. There was only one Linda Sue and if you ever met her that's the sweet person you knew...genuine to the core. I know she was welcomed with a heavenly reunion with all her loved ones but she will be so missed by all of us!
