“ Skipper, Len, and I all went cruising one weekend. and caused so much trouble we had a line of cop cars behind us when we pulled into Linda and Lonnie Sr's driveway. Len assured them it was all his fault and Skipper and I where innocent. The cops gave me a ticket but let everything else go with a warning. Len and I left skipper there and I took Len home to his wife (one of Lonnie Sr's daughters) Lisa. who already got a call telling her all about us. Len told her it was all my doing and I agreed. Then I went home and Told mom it was all Len's fault. It was quite some time before the 3 of us could associate again. But we sure had fun.
