“ *I have so many special memories of Loretta, in fact they are all special. One stands out right now. She came to work with a home printed picture of an adorable puppy adorned in a cute, masculine kerchief. I asked whose pup is this and she said ours, he wandered on the place. His name is Roscoe. I thought smart, lucky doggie and he was! He became a loved member of the Nichols pack day one. Love, that is what Loretta meant to me and always will.*

“ May God be with each of you as you grieve the loss of your dear sister and aunt. The sweetest memory I have of her is when she said to me, “ I want you to be my aunt, too.” I am her sister Barbara’s aunt, and I had gotten to know her the past couple of years. I said I would like that!
