“ I always thought Louann was such a beautiful girl. She was so vivacious and happy. I never had a big sister, and when I visited Laurie’s home she treated me like I was her little sister too.

“ I’m so sorry to hear that LouAnn passed away. We were schoolmates at Altus Denning School. I remember her smiling and when we were young her laugh was infectious. I remember when she had her hair salon in Ozark. I extend my heartfelt condolences to her family and assurance that she will never be forgotten. May she rest well in God’s grace.
