“ We're sure gonna miss you. I'm already missing our phone calls. You always told it like it was and made me giggle. LOL It's not always been rainbows and butterflies these past 24 years but, the last 2 years were so nice and we felt the love from you. Don't worry we will keep our promises we made to you both and you will rest with Bobby right next to Scotty Boy in Kibler.

*Until we see you again in Heaven,
Love Cassie*
