“ Margaret and I have been friends since 2008. She was so uplifting to my soul and spirit with her loving nature and her beautiful smile. She was so happy to be on that ferris wheel and stuck up on top of the world. I know she's healed now and in the arms of our lord and savior along with pappy. I will miss her something fierce, but I'm glad she is no longer suffering. I will always have her in my heart and if I could say I love you one more time I would. Never forgotten but always cherished our times together. Love you Margaret fly high and soar far. You were my very best friend. To the family I'm so sorry for your loss. If I can help in any way please let me know my number is 4797193491. Dee
