“ *Everyone that met Marjorie loved her. One could not be around her for very long without realizing that every aspect of her life, her smile, her words, the way she lived and raised her sweet little family were all a true reflection of God and his love for us--such a blessing.*

We were very proud to have called her our friend and we thank God for sharing his sweet angel with us for a time. We are going to miss her very much.

Our love always, Jean and Dusty
