“ *Delphine lived with us for several years. She took care of me when my mom Sarah went to work. We bought a treadle sewing machine and she sewed beautiful dresses with appliqué for me. She also would sew my baby dolls clothes matching mine. Many times she would lay on the grass with us and look at the clouds seeing shapes.*

She came home to take care of her grandpa Dave.

I was able to come see her in May 2019. What a sweet and memorable visit that was. We hugged and held hands and hugged some more.

I will always cherish and love her. She was one in a million.

“ Mary King was one of the sweetest ladies I have ever known. Throughout my entire life, any time I saw her she made me feel so special and loved. I treasure the memories of Mary and Champ bringing us baskets of beautiful vegetables from their amazing garden. She was a treasure, a fine person, and will be so missed, by so many. With much love, Teresa
