“ *I had so many fun times with Mary Jane growing up. One of my favorite is when we spent the night in a little trailer my dad had by the motel, my mom found her asleep on top of the chest of drawers - no one else could have fit in that tiny space!*

But my favorite memory will always be that our birthdays were one week apart and we did a combined birthday for our first boy/girl party when we were probably turning 12. It was such a fun day! Rest in peace my friend. My deepest condolences to her family and all who loved her. Love Prissy Jones Wattam

“ My heart felt very heavy when I read that Mary Jane had passed away. Even though I didn't know her well, she had touched my heart. I remember her as a teenager, when I would cruze the streets of Ozark. She was a pretty young lady and a beautiful grown woman. I had enjoyed our visit very much last summer at the memorial service of her sister-in-law, the late Gloria Andrews, who was my cousin. It certainly made me wish I could have know Mary Jane better. God be with her family as they try to get through this most difficult time. Just know that you are in our prayers and our hearts.

Mary Jane and I lived in the same dorm at Arkansas Tech in Russellville the fall semester of 1969. I just this moment learned of her death. Will always cherish fond memories of her and her wit.
