“ *She made Raggedy Ann and Andy Dolls for my youngest daughter Whittney Willis. We have known her son for years along with his sons as they use to attend Ozark Assembly of God. I met her in person a few times and she was a very nice and gracious lady. I pray that her children and husband are at peace and comfort knowing she is gone but they will have her memories to live on in their lives I am sure as a seamstress she has many things that will remind and remain with them in her legacy to her life and family.*
