“ Many, many years ago, somewhere around late 1969, I began working with Mary Ann at Langston's Beauty Shop in Ozark. Mary Ann was never anything but kind and nice to me. I enjoyed knowing her and working with her. She was a very sweet lady and was loved by everyone. Even though I would not see her often, she was always the same. Sweet, kind and always had something sweet to say. She will be missed by everyone who knew and loved her.
