“ *Mr. Mike, as both Brandy and Ben loved to refer to Mike, was a great friend. We loved to have bar-b-ques and have a great time shooting pool and telling talk tales. He was a blessing to be around and a true friend. We will see you again on the other side. Rest in peace my friend.*

“ Lynda, I was shocked and saddened to hear about Mike. He was a friend since high school and will be missed by many. I will always remember him teaching me to drive my VW bug at Creekmore Park back in 1967. I think I gave him whiplash.
My thoughts and prayers are with you and your family.
Hugs and Blessings,

“ Mike was always a kind and level headed man. As our neighbor "across the fence" he is the best anybody could ask for. His love of animals was a direct reflection on the person he is. God had Mike's cloud fluffed and ready.
