“ Mike was one of my best friends in high school. He was like a brother to me. I have such fond memories: how excited he was when telling me he and Kathy were expecting, reconnecting after way too many years and watching him instantly connect with my husband and act like they had been friends for years. I'm so sad his last few years were not living life to the fullest with his children and grandchildren. You were one if the good guys, Mike, and I'm forever grateful to have been able to call you friend.💔
