“ *Wow! I don't know where to start! My cousin Nancy and I had a lot of fun together, especially in the last 15 years! She was game for anything! She was so much fun and I loved her dearly! I could always count on her for anything. She loved to come visit me and spend the night visiting! She of course was supposed to be there early and would end up ringing my doorbell at midnight! And she brought Libby as a baby to spend the night with me while she worked and forgot to bring her favorite blanket that she couldn't sleep without! The stories go on and on and I cherish them all! Until we meet again.*

“ Nancy was always a force of nature. Hard to believe all that energy is gone. But memories of the cousin I looked up to remain. When Nancy was around there was always laughs and smiles, and maybe a few shock moments. 😊 Memories of her are a comfort.
