“ *Nancy was a very kind and loving friend. Her door was always open to her friends and family. We spent a lot of time at her home when our kids were young. Will always remember the good times we had. You will be missed Nancy . Prayers for your family.*

“ *The first time i met Nancy, 40 something years ago, she had been canning tomatoes and making jelly and had all kinds of plants in her house which she kept beautifully. I thought boy this woman stays busy. I found out over the years that i was right. I loved hearing her stories about projects she was or had been involved in.*
