I actually am an old friend of Shaes. Whom I haven't seen in years but she did introduce me once when they (your folks) lived over off of Pritchard. I'm terribly sorry for your families loss ❤️

“ *My Mom was the sweetest, most loving, and kindness person. She love without condition or judgment. Accepted everyone. Everyone will tell you the same. She always had a smile to share even when she felt at her worst. She told everyone that she loved them and truly meant it! She appreciated everything that anyone did for her. The world is a sadder place without her in it. 💔*

“ So sorry for your loss. Naomi was a very special Christian lady that I'm glad to have had the priviledge of knowing. Although I had not seen her very many times, it was apparent that she was a very sweet person. And we were, of course, drawn to each other by our mutual love of Christy, whom I am proud to call my daughter-in-love. I will always think of Naomi when I look at my picture of the Lord's supper because I have these little crosses which she made and sent to me draped over the picture. Again, I'm so sorry and I will be keeping you all in my thoughts and prayers during this difficult time.
