“ Tina and children, and family, I was lucky enough to be there when he and Tina got together. What love they shared and how they joined their two families. Nathan was there to air my tires or come get me if I was stranded. He was the kindest I won't forget his laugh . Love and prayers. Ms Lisa

“ I remember when Nathan was a young teen and he spent lots of time with my ex Ronnie Alston and me - he and his brother Aaron - they were more like sons than nephews! Oh the happy times we spent with them and the boys in the neighborhood - Daniel Hodge, Josh Griffith, and others! Those boys knew how to have a good time! But Nathan was always the one who would help with the dishes, clean up his 'space', and do anything else he could to help his Aunt Susan' . Nathan was one of a kind and I will never forget the love I have for him! Prayers for Tina and the Myers family..
