“ Mom loved to travel we called her the Gypsies, She was into riding roller coaster rides but favorite ride was a ferris wheel. I loved spending time with my mom .She was a special mom, she woke up earlier and would have a breakfast on the table before my dad left for work . And most of her life she worked and raised 10 children.She always had time to help out her children,grandchildren and any one who need a mom.She loved church and listening to the church goers singing. The world and our family lost a get and go type of person and a good friend . Heaven now has the center or our family hearts, will miss her ,dearly. Bonnie,Bobby ,Tammy,Mike, Zach, Chris, and Rachael.
