“ My first time meeting Nina was at CV’s family foods in Ozark Arkansas. She was one of the regular customers there for a longest time. I worked with that company for 10 years and she was a loyal customer. and she really did love listening to KDYN listening to the coffee pouring in the morning, even though it did not say it in there she was a big hillbilly fan too. I still remember that Aimee finding out about my cousin, being brutally murdered, she was right there for me. I will never forget Nina.
