“ Pat and I have been best friends forever since we were 12 years of age and met in 7th grade at Ozark School, so there are 73 years of memories that I have to cherish. Heaven is now sweeter as she has gone to be with her family and friends who are there. I will miss her so very much but would not call her back to go through all the pain she has suffered these several years. Now she is free of that. We will see each other again, that I am confident of.

“ I don't remember a time that I saw Pat that she wasn't smiling and kind. She was a beautiful lady inside and out. She loved Jesus and He shined in her life. I'm thankful for God putting us together as friends.
