“ Grandma Pearlle you were an inspiration to all who knew you. You were one of a kind & the world is a little less sunny with you gone. Thank you for being you & all the love you gave.

“ I will always remember a younger Pearlie. Coming home from work at the hospital. She would drive up and come in through the kitchen door. Wearing her nurse's uniform with her brown hair in a bun. She always wore a watch back then, that had a brown leather strap. I will always see her that way.

I have a lot of good memories of her, going on walks to the swing bridge, taking Juanita and I to Huntsville, to visit her family. She made the best the best ice tea. Her pretty flowers.
