Thank you Libby. I found some great pictures of our moms from their high school days when I was cleaning out my mom's house. You're right, it is so sad.

“ *Trish I am so sorry to hear about your brother Phillip. I have so many memories of being at your house with your whole family! Philip was always with your dad taking care of the cattle and the horses! What a pair! I can hear him now calling for "Jack" to help him do something! Again I'm so sorry!*
