So sorry about Phyllis, Tried to call her few times and could not get an answer. Then called and found her phone not working. Looked obituary up. She was my second cousin. Richard Mahan

So sorry to hear about Phyllis... have known her for many years... there was no answer when I called to check on her, then, phone was disconnected and I found her obituary... she sounded okay after her fall and hospitalization, said she was still sore, but, didn't need any help... said her son could help to run around and pay her bills for her... I will miss you Phyllis, you were a sweet lady and a good friend!!!
