“ *We are deeply saddened by Ray death. We are thinking of you during these difficult times. My brother and i would tell Ray what time we would have our deer at the meat market. He got a kick out of us for making a appointment with him.*

“ *Susie, Phillip, Vanessa, Charlotte, and Laura. It is terrible to hear the news about Ray's passing. He will always be remembered as one of the hardest working people I ever worked with. The man could talk to anyone like he knew them forever. He will be missed by all of us who knew him. Rest in peace Ray.*

“ *"They say don't go, from Wilberton Mountain..." It was an old song he started singing to me when I was a kid. The last time I saw him at a family reunion he sang the first line for me, one more time. It is a special memory. We will miss Uncle Ray so much. He was a fine man and a wonderful uncle.*
