“ *Aunt Cathy, my heart is aching for and with all of you. I have so many memories that I can't even sort them out to share but all of them include his boisterous laugh and smile! He never met a stranger and everyone loved him.*

“ *We are sending our love and prayers to you and your kids and grandkids. I loved that old man so much. He was always laughing and always so grossssss. Lol he had the biggest heart but always pretended to be so mean and a butthead. He always treated us like his kids from as long as I remember and we always begged my mom not to let him babysit when we were little cause he was always being so (as my daughter says now) EXXXTRA!. He will be missed for sure. It weird that I laugh and cry at the same time when I think about him.*
