“ We are all such fortunate people to have been touched by Uncle Kim's love, laughter, wisdom, stories, and everything else that comes in between. I cherish the many memories, crosses made of pencils, riding mini bikes, the creaking up the 13 steps at Grams and it just stopping, building tents on Grams porch, saving me in my car in Poly after breaking down, reunions at my pool and Burgers Lake, all the jokes and laughter which I will miss the most. I will never forget what you told me at Grams funeral at the cemetery. I have looked at death bravely now because of that. I know you're riding in the clouds with many loved ones; freely and peaceful and you'd have it no other way! I'm glad your pain has stopped but sorry you were called so soon. I will keep my memories of you close in heart and will love you forever. See you on the other side Uncle Kim! 🏍️💕💕💕

“ Uncle Kim touched everyone in his own special way. Always stories with warmth and wisdom of experience. He had a smile as big as the sun and A heart that was open to all. We're lucky to be family to someone who was so loving and caring. Our gentle giant!

I cherish my memories growing up with Uncle Kim, the crosses made of pencils, the cubby in Grams house, the creaking 13 steps at Grams the always suddenly stopped, snowball battles, riding mini bikes, and building tents on the porch. Mostly I will remember the brick you threw and hit me with in my shoulder!!!

Fly with your loved ones and soar with the eagles; you earned your wings!!! You're in my heart and I will always love and cherish the memories that will remain there forever. I love you Uncle Kim, I know you will Rest in Peace. 💕💕💕🚲🚚
